### Joint Action on European Health Workforce Planning and Forecasting

Terminology Gap Analysis and Mobility Data Mapping - WP4 Survey

# Background information

## The timing of the the Survey and the Deliverables

W - Workshop, D - Deliverable

As the above GANTT chart shows, **the timing of the Survey** is between September and December 2013 (**in red**) and the Terminology gap analysis final report is to be submitted in **June 2014** and the Mobility data mapping report in **March 2015** (**also in red**).

## **Your contribution to the Survey**

All Associated Partners of WP4 are to contribute 3 days to fill out the Survey. These countries are: UK, Italy, Spain, Portugal, Greece, Poland, Iceland, Germany, Finland, Slovakia, Belgium, Netherlands. Some Collaborating Partners are also filling out the Survey.

### Joint Action on European Health Workforce Planning and Forecasting

Terminology Gap Analysis and Mobility Data Mapping - WP4 Survey

Countries with additional Mandays allocated to the two Activities as well as the two international organisations represented in WP4, the Union of European Medical Specialists and the European Federation of Nurses are to contribute to the analysis of the results of the Survey.

The Manday distribution of the two Activities:

WP 4 Data for improved HWF planning		Manday contributions by country
