

Anton Tonchev

Anton B. Tonchev has graduated Medicine at the Medical University-Varna, Bulgaria (www.mu-varna.bg). He has done doctoral and postdoctoral studies at the Kanazawa University Graduate School of Medical Sciences, Kanazawa-city, Japan (www.kanazawa-u.ac.jp), and the Max-Planck- Institute for Biophysical Chemistry.

Since 2008, he was appointed a position at the Department of Anatomy, histology and embryology, Medical University - Varna. Bulgaria. Since 2012 he was elected Chairman of the Department. We are interested in novel methods of teaching human anatomy that will prepare the next generation of medical physicians with interdisciplinary background and molecular thinking toward patient-directed personalized medicine.
