OF THE HEALTH SYSTEM

Varna, 17 MAY 2016

Dear colleagues,

Being in the final stage of Joint Action on Health Workforce Planning and Forecasting, the Medical University of Varna is pleased to invite you to WP7 Dissemination event for presenting the results and their sustainability.

This event is part of the Joint Action of the European Union Member States and the European Commission for planning and forecasting of the human resources. Mobility, access to healthcare for different demographic groups, education and specialization of health professionals, effective distribution of resources in health and social sphere are topics with high priority for all European countries, including Bulgaria.

The event will be held on 17 may 2016 in “Graffit” Hotel – gallery, Varna, “Knyaz Boris I”str. №65. The ideas, objectives and the achieved outcomes of the project will be presented during the event, with an emphasis on the work of the Bulgarian team from the Medical university of Varna and the National Center of Public Health and Analysis - Sofia.

We will be happy to share with you knowledge and experience!

Sincerely yours,
